About the sanitary emergency: COVID-19

In Nude Cosmetics, we care about your health and our workers' health so as a preventive measure our online store service will be temporarily unavailable with no specific date of reopening. This is done for everyone's health and for your safety all orders placed between March 16th and March 19th will be delivered as normal, meanwhile, orders placed after March 19th and the following will be delivered as soon as this sanitary emergency is over. You can continue to shop without any problem, your order as it was mentioned will be delivered after the emergency.

Your's Truly,
Tiffany Carpenter.
